

Dear Mr. Namuo: I am writing in support of Mr. Lindsey's appointment as the OHA trustee to fill the vacancy left by Ms. Linda Dela Cruz.

I have known Bob for about 20 years. First as the Kamehameha Schools Hawaii Island land manager and currently as a private businessman.

His business and administrative qualifications make him well suited to serve as an OHA board member.

In working for Kamehameha Schools as a land manager he is particularly knowledgeable on Hawaiian issues as they relate to resource management and trust relationships where Hawaiians are the beneficiaries.

Bob has also demonstrated a genuine commitment at the community level and specifically in my community of Kealia S. Kona.

Regards
